

HSBC Navigating Business series

Staying connected with HSBCnet Mobile

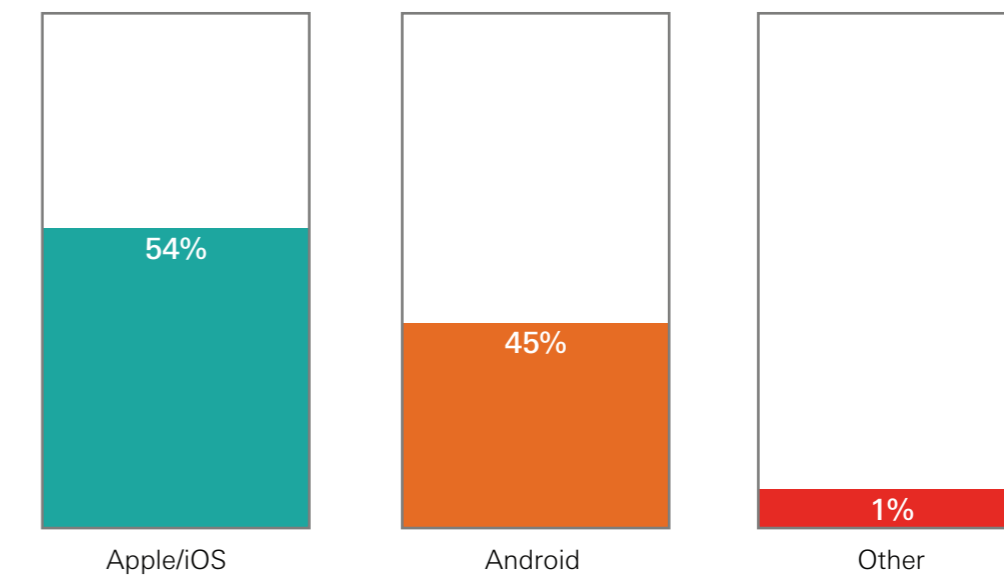

On our recent HSBC webinar, you can listen to the replay [here](#), we polled over 170+ corporates on their perspectives around their use of digital and mobile channels and here are the results:

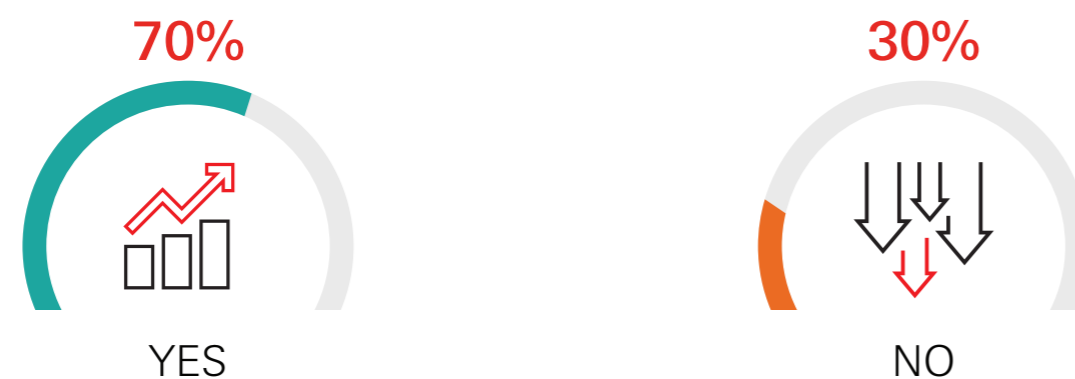

How much do you plan to continue to use digital channels for banking?

What mobile phone (operating system) do you use?

Over the last 3 months, have you started using more digital channels for banking?

What is your preferred mode for authorisation?
